## About the University

Central University of Haryana is a Central University established under the Central Universities Act, 2009 of the Parliament. It is one of the Central Universities established by MHRD, Government of India under the eleventh Five Year Plan (2007-12). The University is fully funded by the UGC. Presently the university offers academic programme of UG/PG/M.Phil/Ph.D.

## About the Department

*(Every thing belongs to space and time , that is Geography)*

The Department of Geography has been established in academic year 2014-15 as a constituent of the School of Earth, Environment and Space Studies. Presently, the department offers PG Programme, i.e., M.Sc. (Geography) with the **intake capacity of 50 students**. Department is promoting culture of geographical inquiry not only to enhance the scope and frontiers of geography as a subject in academic arena but also to produce competent, skilled, sensitive and responsible individuals for the development of the society and national integration through promotion of creativity, innovation, human values and scientific inquiry in to the physical and human aspects of geographical phenomena.

- Credits (choice based) are based on international standards .
- Syllabus covers academic and research excellence.
- Department is using continuous and comprehensive evaluation to assess the students through the assignments, presentations and field surveys .
- Departmental Library.
- High standards of research (Less than 10 percent- Plagiarism )
- Well furnished class rooms and labs with Air Conditioners.
- Students qualified UGC-NET/JRF with special classes organized in the department. (UGC -JRF-3, UGC -NET-14, CSIR-NET-2 )
- Department actively organize conference- National and International, workshops, guest lectures and **field surveys (Rajasthan, Gujarat, Himachal Pradesh, Uttarakhand, Haryana)**.
- Research publications by the students of deptt. is another big achievement.
