SECRETARY

Dear *Prof. Kuhad,*

National Foundation for Communal Harmony (NFCH) was established in the year 1992 as an autonomous organization under the Ministry of Home Affairs with key objectives to promote Communal Harmony, strengthen National Integration and to facilitate rehabilitation of children, who are victims of communal, caste, ethnic or terrorist violence.

2. It has a specialized library containing approx. 3500 books publications/ documents, reports, journals etc. on the subject of communal harmony and national integration etc. The literature available in the library is used by the officials of the Foundation and is consulted by professionals/ scholars/students from various universities and other educational institutions from time to time. It facilitates carrying out research work on various aspects of communal harmony and national integration. This perhaps is the only library of this kind on the subject in the country.

3. Though the collection is small, some of the invaluable documents such as riot inquiry commission reports are preserved. The documents are extremely well arranged. The reprographic facility is also available. The details of library publications/documents are available on the website of the NFCH i.e. <https://nfchlibrary.nic.in>. Every year valuable additions are being made to the library both from India and other countries. Suggestions are also invited from the Research Scholars and other interested persons for making additions to the library.

4. The consultation timings of the library are normal working hours in working days i.e. 9.00 AM to 5.30 PM.

5. The Research Scholars / Academicians of your institution may like to avail the facility of NFCH Library for consultation / Research purposes.
