About Sri Sri University

India's first smoke, alcohol & drug free campus Envisioned by Sri Sri Ravi Sankar Ji, Sri Sri University was established in 2009 as a centre for world-class education in India. The university offers a unique education that brings together the best of western innovation with the ancient values and wisdom of the East. The university offers a range of pivotal as well as unique courses that seek to preserve the ancient wisdom of the East through programs in yoga and naturopathy, classical performing arts and offer the best of Western innovation through cutting-edge programs in Osteopathy and Craniosacral therapy, good governance and management. Sri Sri University today offers value-based education in specialized areas of study including Management, Yoga, Governance, Sanskrit, Journalism, Philosophy, Architecture, Liberal Arts and Performing Arts.

About FDP

With advent of information and communication technology the content is being generated and delivered in electronic form and it is easily accessible to all the stakeholders using different electronic gadgets as well as desktop based application. MOOCs which is one of the sub set of e-Learning have innovated at a dazzling speed in content creation, delivery, feedback, testing and other aspects of the knowledge delivery process.

The aim of the three-day workshop is designed to build the capacity of the Faculty to design, transact and assess and deliver courses online in different disciplines with Educational Technology Tools, Open Educational Resources (OER) and constructivist pedagogy based Free Open Source Moodle-MOOC platform. This workshop is a great starting point for effective teaching in the 21st century learning environment.

Outcomes of the FDP

- Sensitizing the Digital Initiatives of GOI in Higher Education
- Instructional Design for MOOC Development & to understand the process of planning, designing and implementing online courses in line with SWAYAM MOOC requirements
- E-Content Development (Script Writing/ Video Recording) with Generic Video Recording and Screen Capturing Tools
- to enable the participants to learn and implement the Blended Learning and Flipped Classroom
- To enable participants to learn using FOSS tool Moodle through hands-on-experience
- To train the participants to use Moodle-MOOC as an adjunct to face-to-face teaching and to teach in a fully online or distance learning context and to get a feel for how their courses could be enhanced using Moodle- MOOC platform
- to create better and active communication and collaboration with the students and to design and manage learning assessment using Moodle MOOC Platform
- Exploring OER for Learning , teaching and Professional Development

Important Note

Participants should bring laptops, Smart phones and Head Phones/ earphones, without which, the workshop will not at all be effective, as the workshop is based on hands-on activities. Participants will have to install all the software required before they come to the workshop.

Group Work & Presentation

Group Work and Presentation are compulsory. The Group work should reflect the collaborative nature. The parameters for the Group work are

- Learning Outcomes of the Workshop
- Value Addition (w.r.t Concept building & enhancing the Technical Capability)
- Action Plan with Time lines (Immediate (short term) & Long Term)
- Action Plan for spreading the Knowledge Gained among other colleagues
