C. National Programme on Technology Enhanced Learning

NPTEL (<http://nptel.ac.in/>) stands for National Programme on Technology Enhanced Learning which is an initiative by seven Indian Institutes of Technology (IIT Bombay, Delhi, Guwahati, Kanpur, Kharagpur, Madras and Roorkee) and Indian Institute of Science (IISc) for creating course contents in engineering and science. NPTEL originated as a project from many deliberations between IITs, Indian Institutes of Management (IIMs) and Carnegie Mellon University (CMU) during the years 1999-2003. A proposal was

jointly put forward by five IITs (Bombay, Delhi, Kanpur, Kharagpur and Madras) and IISc for creating contents for 100 courses as web based supplements and 100 complete video courses, for forty hours duration per course. Web supplements were expected to cover materials that could be delivered in approximately forty hours. Initially, five engineering branches (Civil, Computer Science, Electrical, Electronics and Communication and Mechanical) and core science programmes were chosen. Contents for the above courses were based on the model curriculum suggested by All India Council for Technical Education (AICTE) and the major affiliating Universities in India.

D. e-PG Pathshala

e-PG Pathshala – (<http://epgp.inflibnet.ac.in/>) - MHRD, under its National Mission on Education through ICT (NME-ICT), has assigned work to the UGC for development of e-content in 77 subjects at postgraduate level. The content and its quality is the key component of education system. Under this initiative, high quality, curriculum-based, interactive content of different subjects across all relevant disciplines, is being developed.

E. The Judgments Information System

The Judgments Information system consists of the Judgments of the Supreme Court of India and several High Courts. In case of the Supreme Court, all reported Judgments which are published in SCR Journal, since its inception in 1950, are available. The Judgments reported in SCR till 1993 also have head-notes. The judgments reported in SCR in 1994 and later have only text of judgments without head-notes.

F. Open Access Journals and Books

Besides the above mentioned sources being provided by Government of India and Its subsidiaries, CUH provides access to a vast number of open access books and journals such as Directory of Open Access Journals (<https://doaj.org/>), Registry of Indian Open Access Journals: A-Z List (http://oajse.com/rioaj_a-z_list.html), Directory of Open Access Books (<http://www.doabooks.org/>), OAPEN (www.oapen.org/), Open Science (opencscience.com) etc.
