Advertisement for the post of Project Fellow

Applications are invited for the position of a Project Fellow under the research project entitled "Luminescence and dielectric spectroscopic studies of phase stabilized $Hf_xZr_{1-x}O_2$ nanocrystals: Deciphering role of local electronic structure using synchrotron radiations" sanctioned to Dr. Ankush Vij (Principal Investigator) by the UGC-DAE Consortium for Scientific Research Indore. The project is initially for one year but it may be extended on yearly basis subject to a total period of three years subject to yearly evaluation by funding agency.

Fellowship: (i) Valid GATE/NET: Rs. 31000/- p.m. (fixed) + HRA
(ii) Non-GATE/Non-NET: Rs. 14000/- p.m. (fixed) + HRA

Qualification: M.Sc. in Physics/ Applied Physics (not earlier than three years) with at least 55% marks and valid GATE/NET certificate if any

How to Apply: The application on a plain paper with complete biodata supported with self-attested documents (mark-sheets/NET/GATE certificates etc.) in a single pdf file should be sent by email at ankush.vij@cuh.ac.in or hard copy by post to undersigned. The subject of mail should be "Application for the post of Project fellow: Your name". Biodata must include personal details, marks etc. starting from high school in tabular form and projects done if any.

Last Date: Feb 06, 2024

The nature of the post is purely temporary and co-terminus with the project. However, the selected fellow has to register himself/herself in Ph.D. as per University norms and shall also be required to work at RRCAT and CSR Indore as and when required. The shortlisted candidates will be informed through e-mail/telephone to appear for an interview on a date specified later. No TA/DA will be admissible for appearing in interview.

Dr. Ankush Vij, (Principal Investigator)
Associate Professor
