

## Central University of Haryana Department of Biochemistry

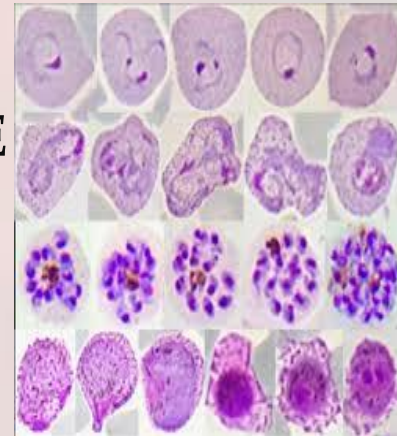

DST-SERB-ACCELERATE VIGYAN SCHEME

“VRITIKA” PROGRAMME

Training and skill internship on

“Methods in Malaria Research”

‘**VRITIKA**’ is the call for initiation and practice in science through Training and Skill Internship. This program aims to provide opportunities to promising PG students from universities and colleges to get exposure and hands-on research skill development experience. **This four-week training and skill internship (Vritika) is intended for the capacity development of the Master’s Level (PG) students from Biological Sciences in the field of Malaria research. The participants of this Vritika will learn the techniques involved in the research of Malaria parasite biology and drug inhibition studies on *Plasmodium falciparum*.**

**Who can register?**

**M.Sc. in Life Sciences**

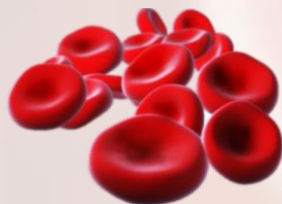

**Number of Position: 5**

**Duration: 4 Weeks (5<sup>th</sup> June- 3<sup>rd</sup> July, 2023)**

- Selection is based on the recommendation of the selection committee, only selected candidates will be informed by email.
- Food and accommodation will be provided to the participants. No Fees and No stipend.

**Organized by**

Department of Biochemistry  
School of Interdisciplinary and Applied Sciences  
Central University of Haryana  
Mahendergarh, Haryana

**Event Organizer:**

Dr. Mulaka Maruthi,  
Assistant Professor  
Department of Biochemistry
