NOTICE

Despite a number of notices, vehicles (four as well as two wheelers) can be still seen plying in the University campus beyond a speed limit@**30KMPH**. This unwanted over speeding of vehicles has put the safety and security of other people at risk. A recent case was noticed yesterday when an animal (dog) was hit by some unknown over speeding vehicle near hostel area, however it was rescued by some of the students with the help of a Veterinary Doctor, who attended the animal on our request.

Therefore, it is once again notified that:

1. All kind of vehicles to maintain **speed@30KMPH** while plying in the University campus
2. All the two wheeler users to wear helmet and triple ridding has to be strictly avoided
3. Helmets to be tied with the vehicles or carry it with you in the offices or classrooms to avoid any missing incidences
4. Vehicles without Parking Pass to get it immediately from the Security Office
5. Students to park their vehicles at the designated places only, as notified earlier

Defaulters may be prosecuted as per the rules of the University.
