Subject: Request for Implementation of Weightage Policy for Outsource Basis/Daily Wages Employees in Recruitment to Non-Teaching Group 'C' Posts

Prof. Anand She

Respected Sir,

With due respect, I wish to submit for your kind consideration an important matter related to the service recognition of contractual and daily wage employees working in our University.

Pl notify & call for meeting
S/O (27)
Anand

It is a known fact that several employees have been rendering their services to the University for many years on daily wage/outsourse basis or contractual basis. They have been sincerely contributing to the functioning of various departments, administrative sections and hostels, often under difficult circumstances and without the security of regular employment. Many of them have devoted a considerable part of their careers to the University and continue to serve with full dedication.

In this regard, I would like to bring to your notice that Banaras Hindu University (BHU) has already implemented a policy of granting **weightage marks** to such employees at the time of recruitment to non-teaching Group 'C' positions. (Copy of notification is also attached in opposite side.)

Assistant

The policy provides that:

1. A weightage of **4% marks for each year of service** (with a minimum of 240 days per year) shall be given to daily wage/contractual employees. The maximum ceiling of weightage is **20% marks**.
2. The weightage is applicable in **all criteria of assessment**, such as Written Test, Skill Test or Demonstration.
3. The concerned employee must fulfill the **minimum eligibility qualifications and experience requirements** prescribed for the post.
4. This policy is restricted to **non-teaching Group 'C' positions**.

13/10/25
W/O - BHM

Fair copy of Note

In addition to the above provisions, it is also requested that:

- The recruitment examination may kindly be conducted in **bilingual mode (Hindi and English)** to ensure wider accessibility and fair opportunity to all candidates.
- The examination pattern may be designed in such a way that the **post-relevant portion** carries maximum weightage, so that the selection process truly assesses the suitability of candidates for the specific post.

The above provision has been greatly beneficial in recognizing the long-standing services of outsource basis/daily wages in BHU and has provided them with a fair opportunity in regular recruitment processes.

Sir, it is humbly requested that a similar policy may kindly be introduced in the **Central University of Haryana** also, so that the services of our contractual and daily wage employees may be duly acknowledged and rewarded. Such a step will not only ensure parity with practices adopted in other Central Universities, but will also boost the morale and motivation of employees who have been serving the University for years with dedication and commitment.

I therefore earnestly request your kind consideration and necessary directions for implementation of this policy in our University.

Thanking you in anticipation.

MINUTES OF MEETING

The meeting of the committee duly constituted by the Competent Authority vide notification no. CUH/2025/Estt.Sec./NT/474 dated 04.11.2025, to look into the representation received from Outsourced staff regarding weightage in recruitment of Non-Teaching Group 'C' Posts was held on 11-12-2025 at 12:30 PM and 15-12-2025 at 4:00 PM in the Office of Deputy Registrar, Establishment Branch. At the outset, the Deputy Registrar welcomed all the Committee members and apprised them about the agenda of the meeting. The Committee discussed the issues and asked the Establishment Branch to look for the provisions adopted by other Institutes /Universities for similar case.

Background Note:

1. The Committee examined the representations received from the outsourced staff regarding the grant of weightage in recruitment to Non-Teaching Group 'C' posts.
2. Based on the documents provided by the Establishment Branch:
 - a) The Committee members observed Banaras Hindu University (BHU) has already granted relaxation/ preference weightage in recruitment for Group 'C' and Group 'D' posts by awarding 4% marks for each year of service (with a minimum of 240 days of service per year in the case of daily wagers) rendered by daily-wage/contractual employees in BHU, subject to a maximum weightage of 20% marks in each assessment component (Skill Test/Written Test), provided that such

employees fulfill the prescribed eligibility conditions, including qualifications and experience, for the respective post.

- b) Further University of Delhi (DU) has also granted weightage to employees working on a contract/ad-hoc/temporary basis in the University and its colleges by awarding one additional mark for each completed year of service, subject to a maximum of ten (10) marks, in the preliminary test conducted for the purpose of shortlisting, wherever applicable. Further, as the preliminary test is used only for shortlisting and the final merit is determined on the basis of the main examination, an additional one mark for each completed year of service (up to a maximum of ten (10) marks) is also added while preparing the final merit list for such employees.

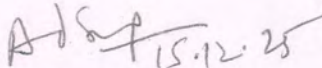

Recommendations of the Committee:

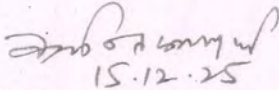

In view of the above, the Committee recommended the following:

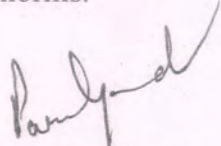

- a) Employees who served at least three years of service in the University on contract/ad-hoc/temporary/outsourced/daily-wages basis and currently working as on date of release of advertisement in the Central University of Haryana may be given weightage for their service experience in regular recruitment of Group C posts of the University, wherein two (02) marks shall be awarded for each completed year of service (with a minimum 240 days service per year) in each assessment component (Written Test/Skill Test), subject to a maximum of twenty (20) marks, provided that such employee fulfil the prescribed eligibility conditions including qualifications and experience for the respective posts.

In addition to this, the Committee has also suggested the following measures for the welfare of employees working on a contract/ad-hoc/temporary/outsourced/daily-wages basis:

- a) The upper age limit may also be relaxed to the extent of service rendered by them in respect of persons who are already working on contract/daily wages/ ad-hoc basis in the University provided they have put in at least three year of service at the University (with a minimum of 240 days of service per year in the case of daily wagers). The relaxation will be subject to other applicable rules and also production of relevant experience certificate from the University/Outsourcing agency.
- b) Such employees may be provided fee relaxation up to 100% in regular recruitment conducted by the Central University of Haryana, as per the applicable norms.

Subject: Representation for Creation of Promotional Posts for Engineering Cadre. (Electrical/Civil) in Line with Other Central Universities.

Respected Sir,

With due respect, I wish to submit this representation for your kind consideration regarding the creation of promotional posts for the Engineering cadre (Electrical/Civil) in the Central University of Haryana.

At present, there is no provision for promotional avenues for Engineers in our University for example once who joins as a Junior Engineer remains Junior Engineer till retirement. However, in other Central Universities such as the University of Delhi, Jawaharlal Nehru University, Banaras Hindu University, and others, there exists a structured hierarchy for engineering personnel i.e.:

- Junior Engineer → Assistant Engineer → Executive Engineer → Superintending Engineer

Such a well-defined promotional structure not only motivates employees to perform better but also ensures institutional continuity, retention of skilled manpower, and effective maintenance and development of campus infrastructure.

I, therefore, most humbly request that necessary steps may kindly be taken for the creation of promotional posts in the Engineering cadre of the Central University of Haryana, on the pattern of other Central Universities.

This will:

- Encourage professional growth and motivation among engineering staff;
- Utilize accumulated institutional experience more effectively; and
- Contribute to the long-term infrastructural and operational excellence of CUH.

You are humbly requested to make provision for promotional posts in the Engineering Cadre. We shall be highly obliged for your kind consideration of this genuine request in the interest of both the staff and the University.

Thanking you,

The meeting of the committee duly constituted by the Competent Authority vide notification no. CUH/2025/Estt.Sec./NT/535 dated 15.12.2025, to explore promotional avenues for Non-Teaching employees of Engineering Cadre, in line with other Central Universities was held on 18-12-2025 at 3:00 PM in an online mode and on 07-01-2026 at 11:00 PM in the Office of Deputy Registrar, Establishment Branch, Central University of Haryana. At the outset, the Deputy Registrar, Establishment Branch welcomed all the Committee members and apprised them about the agenda and discussion of the previous meeting. The Committee deliberately discussed the issues and recorded the following:

Background note:

- 1 The Committee noted the representations received from the Staff of the Engineering Cadre. At present, there are two sanctioned post of the Junior Engineer (01 Electrical, 01 Civil) in the University. Junior Engineer is the initial post in the Engineering Cadre. As per the CRR, 2018 of the University, the post of Junior Engineer is to be filled by the Direct Recruitment.

2. The Committee also noted that at present, there is one post of Assistant Engineer, sanctioned in the University. As per the CRR, 2018 of the University, the post of Assistant Engineer is to be filled by the Direct Recruitment.
3. The Committee also noted that at present, there is one post of Executive Engineer sanctioned in the University. As per the CRR, 2018 of the University, the post of Executive Engineer is to be filled by the Direct Recruitment.

The Committee has noted the existing CRR of the Central University of Haryana and representations of the employees of Engineering Cadre. Committee feels that there must a specific and well defined Career Progression path for each and every employee. At the same, it must comply with Recruitment Rules and Government of India guidelines on the matter. After lot of deliberation, Committee made the following recommendations:

Recommendations of the Committee:

1. **Junior Engineer:** As the post of Junior Engineer is entry level post and there is no feeder cadre, it is to be filled by direct recruitment only.
2. **Assistant Engineer:** The Committee Recommended that the post of Assistant Engineer can only be filled up by:

50%: by direct recruitment
50%: by promotion, if the posts are greater than one.

If only one sanctioned post exists, the same may be filled by direct recruitment only.

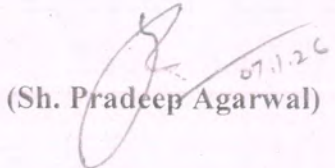

In the instant case, as only one post exists, the University may take decision to increase the cadre strength by following due process. After getting sanction of new posts of Assistant Engineer, the Junior Engineers will have promotional avenues.

3. **Executive Engineer:** The Committee considered the case and recommended that the post of Executive Engineer can be filled by the Promotion to provide promotional avenue for the feeder cadre i.e. Assistant Engineer. Failing which the same can be filled by deputation/ direct recruitment.

Above recommendation are in accordance with the UGC Model CRR. However, before implementation, the appropriate approvals may be taken.

The meeting ended with vote of thanks.

Subject: Request for promotion to the post of UDC from the date of vacant of post and thereafter for the post of Assistant

Respected Sir,

I, Sandeep, working in the University since **10.12.2013**. As per the CRR's of the University, my promotion (from the post of LDC to UDC) is due since 10.12.2018 as I have completed five years of service on 10-12-2018. I have also passed typing test conducted by the University, held on 09-04-2019. On the recommendation of **DPC (12.4.2019)** three candidates out of five got promoted to the post of UDC and the rest two including me have been put in the waiting list as there were only 03 posts available for promotion.

2. Sir, I got the promotion to the post of **UDC on 10.6.2022** (delay approx. 3.5 years) and in between this period (LDC to UDC) I also worked in CBLU, Bhiwani to the post of **Assistant from 12.2.2021 to 09.2.2022** that may also be considered.

3. Therefore, I request you to kindly **consider my promotion from the vacant post of UDC (may be Oct. 2019)** and pay fixation, financial benefits, seniority and all other past service benefits may be given to me.

Sir, it is also humbly submitted that I am losing service experience as well as financial losses due to this delay in promotion. Since, promotion is based on the service Experience on the previous post, delay in my promotion on UDC will also result in loss in my next promotion which I have to bear for my entire service.

Therefore, you are humbly requested to consider the request regarding my promotion to the post of UDC and thereafter to the post of Assistant (ad hoc or regular).

I am hopeful that you will surely consider my request keeping in view my career prospects and my past service records. I shall be highly obliged for this.

Thanking you in anticipation.

14. Workflow to be followed for Incubatees

Phase 1: Application and initial screening
<p>The process begins with the incubatee submitting a formal application to a chosen incubation center.</p> <ul style="list-style-type: none"> • Online application: Incubatee submit a detailed application (Executive Summary) • Business plan and documents: The application must include a comprehensive business plan, proof of incorporation, and memorandum of association. For newer ventures, a detailed proposal and founder details are required. • Executive summary review: An initial screening committee at the incubator evaluates the idea's technical and business feasibility based on the submitted executive summary. The evaluation focuses on market potential, novelty, and the team's strength by the designated committee.
Phase 2: Selection and admission
<p>After the initial screening, shortlisted applicants advance to the final evaluation stage.</p> <ul style="list-style-type: none"> • Pitch presentation: The incubatees present their business plan to an expert panel followed by a Q&A session. • Final evaluation: The committee assesses the idea based on predefined criteria, which include potential market impact, scalability, and financial viability. • Negotiation and agreement: If selected, the incubatee negotiates the terms of engagement with the incubator. This leads to the signing of an incubation agreement outlining rules, financial considerations (including potential equity), and intellectual property (IP) policies.
Phase 3: Incubation and support
<p>Once admitted, the incubatee begins the program, which can last from a few months to several years, depending on the incubator. This phase focuses on developing and validating the business concept.</p>

- **Infrastructure access:** Incubatees receive access to physical or virtual workspaces, including offices, labs, and meeting rooms.
- **Mentorship and advisory:** Regular mentoring sessions are provided by industry experts, experienced entrepreneurs, and faculty advisors to refine the business and address operational issues.
- **Technical and business support:** Incubators offer services in various areas, such as legal, accounting, human resources, and intellectual property (IP) protection. This helps incubatees build a solid operational foundation.
- **Product and market validation:** Incubatees work on developing a minimum viable product (MVP), conducting market research, and testing their product with initial customers.
- **Networking and investor connects:** The incubator facilitates networking events, workshops, and opportunities to pitch to angel investors and venture capitalists.

Phase 4: Financial assistance

Securing funding is a key component of the incubation process, with government-backed schemes like SISFS playing a major role.

- **Seed funding:** Incubators may arrange grant through disbursing bodies depending on the merit of a proposal.
- **Milestone-based disbursement:** Funds could be released through disbursing agencies in milestone-based instalments, contingent on the incubatee's performance and achievement of agreed-upon goals.

15. Declaration/ Endorsement by Incubatee for his product

A product declaration or endorsement by an incubatee is a critical and legally binding component of the incubation agreement in India. It serves to protect both the intellectual property (IP) of the incubatee and the incubator by clearly defining ownership and responsibility for the product.

The specific terms are detailed in the Incubation Agreement signed between the incubator and the incubated company, often at the start of the program.

Key elements of the product declaration

1. Product ownership and origin

- **Originality of the product:** The incubatee declares that the core technology, product, or service being developed is original work and does not infringe on any third-party intellectual property.
- **Pre-incubation IP:** The incubatee is required to provide a clear record or a "declaration worksheet" of any pre-existing IP (patents, copyrights, software code, etc.) that the company brought into the incubation center. This creates a baseline for determining ownership of new IP developed during the incubation period.

- **Liability:** We accept all legal and financial liability related to our product's development, marketing, and performance.
- **Indemnity:** We will indemnify the Incubator against any and all claims and costs arising from our product.

16. Legal Framework

If unresolved, disputes will be referred to arbitration under the Arbitration and Conciliation Act, 1996. The decision of the Arbitrator shall be binding, and the place of arbitration will be Mahendergarh.

16.2 Force Majeure

Neither CUH nor the incubatee shall be held responsible for non-fulfillment of obligations under this agreement if caused by events beyond their control, such as natural disasters, war, strikes, or government regulations.

16.3 Disclaimer

The incubator's role is to provide support, not to guarantee the success of the startup, thereby protecting the incubator from future claims.

| 8. Dr. Kumar P, Assistant Professor, Dept. of Physical Education, CUH | SC member |

The Coordinator welcomed all the members and briefed the agenda of the meeting.

The following points have been discussed:

1. A complaint was received on 27th June 2025 through an email, bearing the subject "urgent complaint regarding cast based harassment, mental torture, and life threat by Ph.D supervisor- request for immediate and strict action" from Nikhil Sehrawat (SC Student) Ph.D Scholar, Department of Tourism and Hotel Management. ,
2. The complainant, Nikhil Sehrawat, submitted this formal complaint regarding extremely serious incidents of caste-based discrimination, mental harassment, academic coercion, invasion of privacy, and life-threatening intimidation at the hands of his Ph.D. supervisor, Dr. Vivek Balyan, Assistant Professor, DTHM.
3. In the complaint, the complainant, Nikhil Sehrawat, made the following allegations

1. **Academic Misconduct and Coercion**

On 17 May 2025, I was directed by Dr. Vivek Balyan to compile a book using copied content from existing materials and make minor edits, effectively engaging in academic plagiarism. I respectfully declined and offered to work on an original manuscript, but was pressurized via a WhatsApp group to comply within 3 days. Upon my refusal and exit from the group on 4 June, I was subjected to severe criticism and hostility.

2. **Caste-Based and Personal Abuses**

Dr. Vivek Balyan sir has repeatedly made derogatory and casteist remarks most time in his cabin whenever alone, including: "Tu chamar jaat ka hai, badi baatein nahi samajhta." "Teri bahu na bhaag jaye isliye tujhe scholar liya hai." Such statements are not only in violation of university codes but also contravene the Scheduled Castes and Scheduled Tribes (Prevention of Atrocities) Act, 1989. "Teri jaat wale kuch nahi kar payenge."

3. **Threats, Assault, and Violation of Privacy**

On 10 June 2025, I was deceitfully called to the 3rd Block building by fellow scholar Tushar around

12:30pm. Upon arrival, I was confronted by Dr. Balyan and four unidentified individuals. One of them allegedly threatened me with a firearm. My mobile phone was forcibly taken from my pocket by Dr. Vivek balyan sir, unlocked without my consent, and its contents—including private chats with my wife—were accessed and scrutinized. I was told to withdraw from my Ph.D. program or face false legal consequences. I was only allowed to leave after several hours, around 2:00 PM. My mobile phone was returned around 5:00 PM by fellow scholars Aakash and Avinash.

4. **Mental Health Breakdown and Institutional Inaction**

I reported this mental and emotional distress to the Head of Department on 11 June 2025, requesting a supervisor change and take urgent necessary actions to safe my life from. threat. However, no concrete action has been initiated. Since the incident, I have suffered a mental health **breakdown** and remain on **bed rest** due to severe trauma. As my health is survived and panic attacks scare with incidents i backed to home on 11th june and take medical treatment.

5. Violations Committed:

- **Caste Discrimination and Verbal Abuse** (SC/ST Atrocities Act)
- **Coercion into Academic Plagiarism** (Violation of UGC Guidelines)
- **Invasion of Privacy and Personal Threats**
- **Mental Harassment and Intimidation**
- **Abuse of Position and Power**

4. The attached document showed that the complainant has already written to the concerned HoD (DTHM) regarding the harassment, torture, threat to assault, and filing of fake cases, and life-threatening warnings by the supervisor, i.e, Dr. Vivek Balyan. In this communication to the HoD, the complainant has brought to the attention of the incidents happening and conspired to happen to harass and torture him to submit to the irrational demands of his supervisor Dr. Vivek Balyan.
5. In this regard, the cell has convened a meeting to hear the complainant, Mr. Nikhil Sehrawat. The complainant was invited to join the online meeting on 30th June, 2025, and his statement was recorded with his consent.
6. During the interaction, the complainant, Mr. Nikhil Sehrawat has mentioned that he has assigned a duty by the supervisor to compile a book, and the complainant expressed his inability to do so, citing a lack of time and unwillingness to plagiarize texts and engage in unprofessional, corrupt academic practices. In consequence of his refusal to do the academic assignment, the complainant alleged that his supervisor, Dr. Vivek Balyan has made derogatory casteist remarks on the complainant which are: "*Tu chamar jaat ka hai, badi baatein nahi samajhta.*" "*Teri bahu na bhaag jaye isliye tujhe scholar liya hai.*"
7. Further, he informed that he was deceitfully called to Academic Block-3 on 10 June 2025, around 12.30 PM, where he was taken to the first room, right side entering from the main entrance of the Acadmic Block-3 on behalf of Dr. Vivek Balyan where he was assaulted by a few (4-5) unidentified persons, and threatened by pointing a weapon (gun) on his head. His mobile phone was forcibly taken by Dr. Vivek Balyan and made him to unlock it without his consent, and the contents, including his private chats with his wife, were accessed and scrutinized. He was asked to withdraw from his PhD program or face false legal consequences. His phone was returned at 5 PM on the same day by his fellow scholars, Akash and Avinash.

8. When he was asked about the presence of Prof. Rajesh Kumar Malik during the incident (to identify by showing Prof. Rajesh Kumar Malik's photo and video from the web), meanwhile, the complainant was unable to communicate further as he was having an emotional breakdown. Hence, the cell has stopped the conversation with the complainant.
9. Based on the hearing from the complainant, to verify the assault incident, the cell has decided to get the CC-TV footage from Academic Block-3 for 10 June 2025, from 9.30 AM to 5.00 PM. In CCTV footage, the following persons were seen entering in room (where the incident happens) Prof. Rajesh Kumar Malik, Prof. Monika Malik, Prof. Bijender Singh, Dr. Vivek Balyan, Sidharth LLB (Ex Students) and some other persons.
10. The complainant stated that this is not just a matter of personal injustice, but a **reflection of systemic caste-based harassment and institutional negligence**, which must be addressed with utmost urgency and seriousness. **The university's failure to act until now** has further endangered his wellbeing and academic future.
11. The cell also becomes aware that Dr. Monika Malik filed a police complaint against Mr. Nikhil Sehrawat on 28 June 2025.

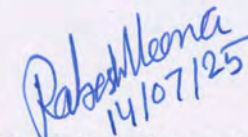

Based on the above facts, circumstances, and complaints, the Cell believes that the allegations made by the complainant are grave in nature and have serious consequences for the life, well-being academic and professional career of the complainant. The university, being the responsible authority and parens patriae, must come forward and take appropriate actions to safeguard the life, well-being, and academic and professional career of the complainant. The measures and actions by the university's competent authority should include the following:

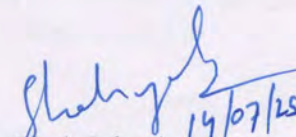

- i) Constitution of an impartial inquiry committee, including representation from SC/ST Cell, ICC, and an external legal expert to conduct a fair and transparent enquiry in a time-bound manner.
- ii) The university must ensure the security and safety of the life and person of the complainant from the alleged persons in the complaint, especially from his supervisor Dr. Vivek Balyan.
- iii) Strict disciplinary legal action against all involved individuals as per the university ordinance and CCS (conduct) rules.
- iv) Assurance of the continuation of the complainant's Ph.D. without obstruction.
- v) The university must provide psychological and emotional counselling of the complainant to develop his confidence to carry forward his academic pursuit.

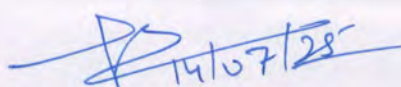

The meeting ended with a vote of thanks.

(1). The jurisdiction of this Court has been invoked under Article 226 of the Constitution of India for issuing a writ of certiorari for quashing the show cause notice dated 25.02.2025 (Annexure P13) as well as the order dated 07.05.2025 (Annexure P15) vide which the services of the petitioner have been ordered to be terminated. A further direction is sought to the respondents to reinstate the petitioner to her substantive position as Professor and Head, Deptt. Of Law, and as Dean, School of Law along with consequential benefits including arrears with interest.

(2). In pursuance to the Advertisement No. CUH/4/T/R/2019 dated 11.09.2019, the petitioner was selected and appointed as Assistant Professor on 23.12.2019 and as Head, Deptt. Of Law, CUH, Mahendergarh on 25.08.2021 for a period of 3 years. In the meantime, the petitioner was appointed as Dean,

School of Law for a period of 3 years w.e.f. 18.03.2023 which was going to expire on 17.03.2026. The petitioner was even promoted to the post of Professor vide order dated 07.06.2024 (Annexure P2) w.e.f. 27.12.2022 (Annexure P4).

(3). A Writ Petition bearing CWP No. 29545 of 2023 (Pardeep Singh v. UOI) was filed challenging the selection of the petitioner as well as one DPS Punia (petitioner in connected writ petition). An interim order dated 19.07.2024 (Annexure P5) was passed staying their appointments and emoluments. In the meantime, the petitioner was removed the post of Dean as well as Head, Deptt. Of Law on vide order dated 29.07.2024 (Annexures P7 to P9). Later, 17.02.2025, the writ petition was disposed of in view of the stand taken by the University. The said writ petition was disposed of vide order dated 17.02.2025 (Annexure P11) as the respondents did not stood by the selection of the petitioner being not in accordance with law. Instead of reinstating the petitioner, the respondents issued a show cause notice dated 25.02.2025 (Annexure P13) alleging ineligibility due to lack of teaching experience. The petitioner filed CWP-7352-2025 challenging the show cause notice which was subsequently withdrawn on 15.05.2025 since her services were terminated on 07.05.2025 (Annexure P16). Hence this writ petition.

(4). Learned counsel for the petitioner submits that the entire action of unsettling her appointment as Associate Professor is founded on conjecture rather than proof, since the Executive Council has not brought on record any material evidence to show that she exercised undue influence over the screening process or manipulated her selection in any manner. On the contrary, her service record and experience clearly establish that, on the date of selection,

she possessed the requisite teaching experience and fulfilled the eligibility criteria under the applicable UGC Regulations, and this position stood reinforced when she was subsequently appointed as Dean and Head, Deptt of Law and later on promoted as Professor on 07.06.2024 without any reservation that such benefits were subject to the outcome of any pending litigation.

(5). Additionally, the proceedings are vitiated for want of competence and for breach of statutory safeguards, since under the applicable Ordinance the disciplinary authority in respect of a Professor is the Vice-Chancellor acting with the approval of the Executive Council, whereas in the present case the show-cause notice and consequential orders have emanated from the Registrar, without prior approval of the Executive Council and without satisfying the pre-conditions for exercise of any emergency power under section 11(3) of the Central Universities Act, 2009, including subsequent reporting and ratification in the next meeting of the Executive Council.

(6). It is contended that no regular or even rudimentary enquiry conforming to CCS (CCA) safeguards was held as provided under Rule 14 of the Central Civil Services (Classification, Control and Appeal) Rules, 1965 which prescribes procedure for imposing major penalties. He submits that no charge-wise evidence was led in the petitioner's presence, and she was never afforded an effective opportunity to defend the validity of his selection, rendering the impugned minutes and notification arbitrary, ultra vires and liable to be set aside.

(7). On the other hand, written statement dated 11.11.2025 has been filed by Mr. Puneet Gupta, Advocate on behalf of respondents No.1&2 wherein it has been averred that under the UGC Regulations, 2018, the post of

Associate Professor in direct recruitment is strictly regulated and requires, inter alia, a good academic record with a Ph.D. in the concerned/allied/relevant discipline, a Master's degree with at least 55% marks, and a minimum of eight years' experience of teaching and/or research in an academic/research position equivalent to that of Assistant Professor in a University, College or accredited research institution/industry, along with the prescribed research publications and research score.

(8). Mr. Kaushal, learned senior counsel maintained that Regulation 10.0 of the UGC Regulations, 2018 (in short, the 2018 Regulations) further makes it explicit that previous regular or ad-hoc/temporary/contractual service can be counted towards such experience only if stringent cumulative conditions are satisfied, including that (i) the essential qualifications of the post held were not lower than those prescribed by UGC, (ii) the post was in an equivalent grade or scale of pay, (iii) the appointment was made through a duly constituted Selection Committee in accordance with the relevant rules, (iv) the appointment was not as a guest lecturer, and (v) the incumbent drew gross emoluments not less than those of a regularly appointed Assistant Professor. Unless all these mandatory conditions in clauses 10(a) (g), and in particular 10(f)(i)–(iii), of the 2018 Regulations stand fulfilled, past service cannot be counted for the purpose of meeting the eight-year eligibility requirement for Associate Professor.

(9). He submits that respondent No.5 had earlier challenged the selection process and appointment to the post of Associate Professor (Law) by way of CWP No.36042 of 2019 and during the pendency of the said writ petition, the petitioner was appointed as Associate Professor strictly subject to

the outcome of CWP No.36042 of 2019, which was subsequently withdrawn. It is submitted that once respondent No.5 has already invoked and is pursuing a substantive challenge to the petitioner's very appointment in CWP No.29545 of 2023, wherein this Hon'ble Court has passed detailed interim directions staying the appointment and payment of emoluments and has even considered an intra-court appeal (LPA No.3098 of 2024) leaving it open for the learned Single Judge to pass appropriate orders, the petitioner cannot maintain parallel proceedings to stall or bypass the statutory and judicial process so set in motion. The present proceedings, which seek to indirectly neutralise or pre-empt the outcome of CWP No.29545 of 2023, are an abuse of process and offend the principle that parties must work out their rights within the framework of the already-pending main challenge and not by instituting fragmented or collateral writs on overlapping subject-matter.

(10). It is further submitted that the impugned steps taken by the Vice Chancellor and the University are squarely traceable to, and fully authorised by, Section 11(3) of the Central Universities Act, 2009 and in the present case, after this Court expressly required the University to state whether it "stands by the selection or not", the Vice Chancellor, on a detailed examination of records and in light of the legal opinion of a retired High Court Judge, recorded that the selection process of 2019 suffered from serious flaws and, in exercise of powers under Section 11(3), decided that the University does not stand by that selection; the matter was then placed before and considered by the Executive Council in its meetings, where the petitioner was issued a detailed show cause notice, granted personal hearing and her reply was considered before resolving

that the selection process and consequential appointments were not in accordance with law.

(11). It is further submitted that the petitioner, having secured her original appointment only because the Vice Chancellor first exercised power under Section 11(3) to approve the Selection Committee's recommendations and the same were thereafter reported to and confirmed by the Executive Council in its meeting dated 27.01.2020, cannot now approbate and reprobate by challenging the very source of that power when it is exercised to review the legality of the same selection process. The minutes of the 45th meeting of the Executive Council expressly record the approval/confirmation of the earlier action under Section 11(3), and the petitioner has throughout enjoyed service benefits on that basis, thereby accepting the validity of the procedure and of the Vice Chancellor's jurisdiction under the said provision.

(12). Learned senior counsel contended that the petitioner was pursuing a course in "Governance, Public Policy and Management" and that no panel of experts had been formally recommended or approved by the Academic Council in compliance with Statute 18 as applicable from 04.12.2019. Further, the email ID of respondent no.5 (the petitioner's husband) and the email ID given by the petitioner in her application form were the same, which themselves raised serious issues about the broader selection process and about possible conflict of interest and based on record and after a fuller scrutiny of the factual evidence, the respondent-University has, with the aid of an independent legal opinion and in response to the specific query of this Court, taken a considered stand that it does not support the impugned 2019 selection.

(13). Heard learned counsel for the parties.

(14). A perusal of the show cause notice (Annexure P13) would show that the respondent-University found that the petitioner manipulated through the members of the Screening Committee as the petitioner was found impersonating one of the members of the Committee Dr. Preet Singh by submitting a forged appraisal report through her own email id which was mentioned in front of the name of Dr. Preet Singh, as one of the referees in the application form of Dr. Rajesh Kumar Malik who happens to be the husband of the petitioner. The said Dr. Rajesh Kumar Malik was nominated as one of the members of the Screening Committee, however, he recused himself without citing the reason and disclosing his relationship with the petitioner.

(15). It has been further alleged that despite her failing to respond to an email sent by the University on the email ID of her husband Dr. Rajesh Kumar Malik, the Screening Committee found her to be provisionally eligible and thereby exerted undue influence by her husband in the selection committee, besides allegation of deliberately misrepresenting and giving misleading information about her teaching experience showing herself to be appointed as a regular employee at Chhaju Ram Law College, in order to make herself eligible for appointment.

(16). At this stage, learned counsel for the petitioner pointed out that constitution of screening committee is an internal matter of the University and the petitioner has no role or influence over such administrative matters. Moreover, since the husband of the petitioner recused himself from the entire process, the disclosure of reasons becomes irrelevant. The allegation that the husband of petitioner Dr. Rajesh Kumar Malik vetted the draft notice has no concern with the recommendations of the Committee more so when the

recommendations itself expressly speaks that he was not the member of the said committee.

(17). Learned counsel for the petitioner exhorted that the allegations of impersonation by the petitioner is without any proof and no enquiry was held in relation thereto inasmuch as neither the alleged email id belongs to her nor the petitioner forged any appraisal report on behalf of referee Dr.Preet Singh. Further, the allegation of manipulating the experience certificate is also neither here nor there and is against Clause 10 of the 2018 Regulations.

(18). It is not in dispute that the petitioner's husband was the Dean of the Law Department. The enquiry and office note show that serious questions were raised about (i) his role around the constitution and functioning of the Screening/Scrutiny Committee, (ii) his continued involvement in vetting draft notices despite a purported recusal, and (iii) the use of a common email ID and even an earlier incident of impersonation through the petitioner's email in support of his own selection, all of which cumulatively "raise a presumption of malafide intent" and indicate manipulation of the selection process. In a university set-up governed by statutes and ordinances that disqualify a person related to a candidate from sitting on or participating in a selection process on grounds of conflict of interest, these facts provide a strong institutional basis to doubt the fairness and integrity of the 2019 selection in which the petitioner emerged successful.

(19). Against this backdrop, the 62nd meeting of the Executive Council did not act in a vacuum but after a detailed legal opinion from a retired High Court Judge explicitly warning that any leniency would "put premium on dishonesty and corrupt practice", coupled with petitioner's reply and hearing,

the Council recorded specific findings that the selection was contrary to regulations, inasmuch as eligibility criteria were not applied uniformly, and that there was sufficient material to infer manipulation and mala fide intent, and on that basis resolved that the petitioner's services "shall not be continued".

(20). It is noteworthy that the petitioner had an experience as her engagement as a temporary lecturer at CR College of Law and such experience can only be considered after proper verification in terms of Clause 10(f) of the UGC Regulations. Astonishingly, in the same process, another candidate Dr. Pardeep Singh was declared ineligible despite being on similar footing as that of the petitioner in so far as the experience certificate is concerned. In normal course, the petitioner ought to have been declared ineligible, however, the manner Screening Committee accepted the petitioner's experience certificate representing herself to be regular employee rightly creates a scar in the manner of appointment.

(21). The record shows manipulation in and around the Screening/Scrutiny Committee including an unexplained change of meeting date, the questionable role and incomplete recusal of Dr. Rajesh Kumar Malik while he continued to vet the draft notice, and the fact that the handwritten proposal for the Committee was never duly approved, as well as an earlier incident where the petitioner is alleged to have impersonated a referee by using her own email to send a forged appraisal report in favour of her husband in an earlier selection. It further shows that, despite a specific email dated 18.11.2019 requiring her to furnish (i) evidence that no kind of leave was availed while pursuing her research degree, and (ii) proof that the cited publications were in UGC-listed journals, the petitioner failed to submit any response within time,

thereby compromising due process, transparency and the legitimate expectations of other candidates.

(22). Accordingly, in view of the cumulative effect of the facts noticed hereinabove, the serious doubts cast on the integrity of the selection process, and the well-reasoned decision taken by the competent authority after affording due opportunity to the petitioner, this Court is satisfied that no case for exercise of extraordinary writ jurisdiction is made out. The impugned action dated 25.02.2025 (Annexure P 13) and 07.05.2025 (Annexure P 15) does not suffer from perversity or legal infirmity and the same are upheld.

(23). The writ petition is, therefore, dismissed.

CWP-31270-2025

(1). The jurisdiction of this Court has been invoked under Article 226 of the Constitution of India for issuing a writ of certiorari for quashing the impugned order/minutes dated 02.05.2025 (Annexure P-12) of the 62nd meeting of the Executive Council to the extent whereby the selection of the petitioner has been held to be invalid as well as the order/notification dated 07.05.2025 (Annexure P-13) vide which it has been resolved not to continue the services of the petitioner.

(2). The petitioner claims to be a qualified academician with LLB, LL.M, and Ph.D. (Criminal Law) from Panjab University and has over 8 years of teaching experience post-Ph.D. Pursuant to the Advertisement No.

CUH/4/T/R/2019 dated 11.09.2019, the petitioner was selected and appointed as Assistant Professor followed by his confirmation by the respondent-University vide order dated 06.05.2022 (Annexure P1). The petitioner earned promotion to the post of Professor under the Career Advancement Scheme (CAS) vide order dated 07.06.2024 (Annexure P2) w.e.f. 31.12.2022.

(3). A Writ Petition bearing CWP No. 29545 of 2023 (Pardeep Singh v. UOI) was filed challenging the selection of the petitioner as well as one Monika (petitioner in connected writ petition). An interim order dated 19.07.2024 (Annexure P3) was passed staying their appointments and emoluments. Later, on 17.02.2025, the writ petition was disposed of in view of the stand taken by the University (Annexures P-6 & P-7), that the selection of the petitioner was not in accordance with law. Instead of reinstating the petitioner, the respondents issued a show cause notice dated 25.02.2025 (Annexure P-9) alleging ineligibility due to lack of teaching experience, and subsequently terminated his services vide impugned Minutes dated 02.05.2025 (Annexure P12) and Notification dated 07.05.2025 (Annexure P13).

(4). Learned counsel for the petitioner submits that the entire action of unsettling his appointment as Associate Professor is founded on conjecture rather than proof, since the Executive Council has not brought on record any material evidence to show that he exercised undue influence over the screening process or manipulated his selection in any manner. On the contrary, his service record and experience clearly establish that, on the date of selection, he possessed the requisite teaching experience and fulfilled the eligibility criteria under the applicable UGC Regulations, including the requirement of NET or Ph.D., and this position stood reinforced when he was subsequently confirmed

in service on 06.05.2022 and promoted on 07.06.2024 without any reservation that such benefits were subject to the outcome of any pending litigation.

(5). It is further submitted that the impugned minutes (Annexure P12) and notification (Annexure P13) are non-speaking and mechanical, having been passed without application of a **judicious** mind and without adverting to, much less dealing with, the detailed reply to the show-cause notice, wherein the petitioner had fully explained the three different experience certificates issued by Rayat College of Law. He submits that no attempt has been made to verify those certificates or to reconcile any perceived discrepancy before hastily concluding that the petitioner did not possess the requisite experience on the date of appointment, which offends the principles of natural justice and the settled requirement that administrative and quasi-judicial orders must disclose reasons and demonstrate due consideration of the defence set up by the affected person.

(6). Additionally, the proceedings are vitiated for want of competence and for breach of statutory safeguards, since under the applicable Ordinance the disciplinary authority in respect of a Professor is the Vice-Chancellor acting with the approval of the Executive Council, whereas in the present case the show-cause notice and consequential orders have emanated from the Registrar, without prior approval of the Executive Council and without satisfying the pre-conditions for exercise of any emergency power under section 11(3) of the Central Universities Act, 2009, including subsequent reporting and ratification in the next meeting of the Executive Council. It is contended that no regular or even rudimentary enquiry conforming to CCS (CCA) safeguards was held, no charge-wise evidence was led in the petitioner's presence, and he was never

afforded an effective opportunity to defend the validity of his selection, rendering the impugned minutes and notification arbitrary, ultra vires and liable to be set aside.

(7). On the other hand, in the written statement filed by Mr. Puneet Gupta, Advocate on behalf of respondents No.1&2 wherein it has been averred that under the UGC Regulations, 2018, the post of Associate Professor in direct recruitment is strictly regulated and requires, inter alia, a good academic record with a Ph.D. in the concerned/allied/relevant discipline, a Master's degree with at least 55% marks, and a **minimum** of eight years' experience of teaching and/or research in an academic/research position equivalent to that of Assistant Professor in a University, College or accredited research institution/industry, along with the prescribed research publications and research score.

(8). Mr. Kaushal, learned senior counsel maintained that Regulation 10.0 of the UGC Regulations, 2018 (in short, the 2018 Regulations) further makes it explicit that previous regular or ad-hoc/temporary/contractual service can be counted towards such experience only if stringent cumulative conditions are satisfied, including that (i) the essential qualifications of the post held were not lower than those prescribed by UGC, (ii) the post was in an equivalent grade or scale of pay, (iii) the appointment was made through a duly constituted Selection Committee in accordance with the relevant rules, (iv) the appointment was not as a guest lecturer, and (v) the incumbent drew gross emoluments not less than those of a regularly appointed Assistant Professor. Unless all these mandatory conditions in clauses 10(a)–(g), and in particular 10(f)(i)–(iii), of the 2018 Regulations stand fulfilled, past service cannot be

counted for the purpose of meeting the eight-year eligibility requirement for Associate Professor.

(9). He further submitted that on the petitioner's own showing, he claims to have been appointed as Teaching Assistant/Lecturer at Rayat College of Law, Ropar with effect from 01.09.2009, at which point of time he admittedly neither possessed NET/SLET nor a Ph.D. degree, both of which were mandatory under the then applicable UGC Regulations, 2000 read with the 3rd Amendment Regulations, 2009 for appointment to the post of Lecturer (now Assistant Professor). It is averred that UGC framework in force clearly stipulated that a candidate for appointment as Lecturer must have a Master's degree with at least 55% marks, together with clearance of NET/SLET, and that only those awarded Ph.D. in compliance with the UGC Ph.D. Regulations, 2009 would be exempted from NET/SLET, however, the petitioner did not satisfy either of these alternative essential conditions as on 01.09.2009, and has produced no material to show that, after being awarded Ph.D. on 03.11.2010, he was ever appointed or re-appointed to the said post through a duly constituted Selection Committee, or that he was placed in the UGC-equivalent pay-scale of an Assistant Professor and as such the so-called experience acquired at Rayat College of Law by the petitioner is squarely hit by Regulation 10(f) of the 2018 Regulations and fails all three essential tests of qualification, selection procedure and pay-parity, and, therefore, cannot be counted towards the eight years' teaching experience mandated for direct recruitment as Associate Professor.

(10). It is argued that after termination of his earlier appointment vide order dated 07.05.2025 (Annexure P-13), the petitioner has been appointed

afresh as Associate Professor on regular terms in the Department of Law of the respondent University under the OBC category, by appointment letter dated 23.05.2025, which he has deliberately failed to disclose in the writ petition. This concealment is not accidental but deliberate, since the subsequent regular appointment directly bears on the nature and extent of relief, if any, that could be claimed in respect of the earlier selection and by suppressing this fact, the petitioner has attempted to secure parallel and inconsistent benefits.

(11). Heard learned counsel for the parties.

(12). The present dispute centres upon the validity of the Executive Council's resolution whereby the selection of the petitioner, Dr. D.P.S. Punia, as Associate Professor (Law) in the Central University of Haryana has been retrospectively declared invalid. The Council has held that (i) he did not fulfil the eligibility requirements on the date of selection because his earlier teaching experience at Rayat Bahra College was allegedly not countable under UGC Regulations, 2018, and (ii) his "entire selection" stands vitiated as the selection process suffered procedural irregularities.

(13). A perusal of the impugned minutes dated 02.05.2025 would show that the Executive Council has premised its adverse finding almost entirely on the assertion that the petitioner "did not fulfill the eligibility requirements (NET or Ph.D.) as per the UGC Regulations at the time of his first appointment" at Rayat Bahra College, and therefore, the teaching experience gained there "should not have been counted" towards the eight years' experience mandated for Associate Professor under the 2018 Regulations. It has further recorded that "no proof of selection process after attaining eligibility is on record" and, on that basis alone, concluded that screening him as eligible and his subsequent

selection were “not as per UGC Regulations, 2018,” rendering the whole selection invalid. This reasoning conflates the legality of the 2009 Rayat appointment under then prevailing norms with the distinct question whether, as on the date of his selection in the Central University of Haryana, the petitioner possessed the minimum academic qualifications and aggregate experience required under the 2018 Regulations.

(14). Regulation 10 of the UGC Regulations, 2018, on “counting of past services for direct recruitment and promotion,” is intended to regulate how and to what extent prior service is to be credited. It does not operate as an automatic eraser of all experience gained under any earlier appointment that is later alleged to be defective. Even on the respondents’ showing, the petitioner had acquired a Ph.D. in Law on 03.11.2010 and thereafter continued to serve in an equivalent teaching position, and later in the respondent University itself for over four years, before his selection as Associate Professor. The Council’s minutes do not undertake any period-wise analysis of qualifying and non-qualifying segments under clauses 10(a)–(g) and instead, they adopt an all-or-nothing stance and reject the entire Rayat experience on the bald footing that there is “no proof of selection process after attaining eligibility,” without examining whether documentary gaps could have been cured, or that other service met the eight-year requirement, or whether the expert Screening and Selection Committees’ prior assessment of eligibility had any independent weight.

(15). On a fair reading of the record, the petitioner did hold a Ph.D., and had long since crossed the eight-year mark if post-Ph.D. and University service are taken together in the spirit of Regulation 10, and cannot be branded

ineligible by a purely formalistic and retrospective scrutiny that ignores the substantive experience and academic output actually considered at the time of selection.

(16). Equally important is the scope of the agenda before the Executive Council, which required it not only to examine the eligibility of the candidates at the time of their interview and selection, but also to determine “whether the selection process suffered from procedural irregularities or was vitiated by malafide intent.” The minutes extracted in respect of petitioner-Dr. Punia reveal that, after granting him a hearing before the Vice-Chancellor and recording his “satisfaction report,” the Council has confined its adverse conclusion to the eligibility point alone as it does not find that any procedural irregularity having occurred in the conduct of the selection, nor does it attribute any mala fides, undue influence or misconduct to the petitioner. There is no allegation that he interfered with the composition of the Screening/Selection Committees, tampered with records, suppressed material facts at the time of application, or exerted pressure on any decision-maker. The only conclusion is that, in the Council’s opinion, his Rayat experience was not countable and that he should not have been screened as eligible.

(17). Judicial precedents on academic and public selections consistently hold that, in the absence of pleaded and proved mala fides against the expert body or systemic irregularities denuding the legitimacy of the process, courts will not lightly disturb selections made by duly constituted committees, nor will they substitute their own or a later authority’s appreciation for that of the experts. In the present case, the University’s expert Screening and Selection Committees, acting under the 2018 Regulations, had already examined the

petitioner's qualifications, experience and research profile and adjudged him suitable for appointment. He then served for several years without the University treating his appointment as provisional or subject to further scrutiny. The subsequent Executive Council exercise, triggered by another writ petition by one Dr. Pardeep, does not uncover any misconduct or undue influence and it merely superimposes a different, narrower understanding of Regulation 10 on the same material, and then uses that as a sole basis to nullify the entire selection. That approach runs contrary to the limited role of administrative review in academic matters and to the principle that, absent proof of taint, bona fide selections should not be unsettled on hyper-technical or ex post facto re-interpretations of eligibility norms.

(18). In sum, the core factual and legal landscape shows that the petitioner-Dr. D.P.S. Punia possessed more than the requisite qualifications and experience on the date of his selection as Associate Professor under the UGC Regulations, 2018, and that there is no material on record to prove any misdemeanour or undue influence attributable to him in the selection process which is itself reflected in the impugned minutes.

(19). In view of the above discussion, this writ petition is allowed and the impugned order/minutes dated 02.05.2025 (Annexure P-12) of the 62nd meeting of the Executive Council to the extent whereby the selection of the petitioner has been held to be invalid as well as the order/notification dated 07.05.2025 (Annexure P-13) vide which it has been resolved not to continue the services of the petitioner, are hereby quashed. The respondents are directed to reinstate the petitioner with continuity of service and all consequential

benefits along with promotion and arrears, with interest @ 6% p.a. within a period of 2 months from the date of receipt of certified copy of this order.

(20). Ordered accordingly.

(21). Pending application(s), if any stands disposed off.

Subject: Legal Opinion - "Dharam Pal Singh Punia versus Central University of Haryana, Mahendergarh and another" C.W.P. No.31270 of 2025 decided on 05.12.2025.

Sir,

I have gone through the order dated 05.12.2025 passed by the Hon`ble Bench in CWP No.31270 of 2025 "Dharam Pal Singh Punia versus Central University of Haryana, Mahendergarh and another". The issue before the Hon`ble Bench was that as to whether the past adhoc/contractual experience as Assistant Professor gained by the petitioner at the time of his appointment at Rayat College of Law w.e.f. 01.09.2009 can be counted for the purpose of direct recruitment to the post of Associate Professor despite the fact he was not having the essential qualification of Ph.D. as per the UGC and his gross salary was less than the regularly appointed Assistant Professor and further he was not appointed by the duly constituted Selection Committee. However, the Hon`ble Bench has failed to consider the mandatory statutory Regulation 10.0 of the UGC Regulations, 2018 prior to treating the petitioner eligible for the post in question. The Hon`ble Bench has failed to consider the basic requirement of the UGC Regulations, 2018 that prior to counting of past adhoc/contractual experience:

- i. the essential qualifications of the candidate are not lower than those prescribed by the UGC for the said post i.e. Assistant Professor;

- ii. the appointment was made by the duly constituted Selection Committee; and
- iii. the incumbent drew gross emoluments not less than those of a regularly appointed Assistant Professor.

In the instant case, all the aforesaid basic requirements are not fulfilled in the case of the petitioner. Even while referring to the decision of the Executive Council, the Hon'ble Court has not spelt any reason as to how the Executive Council has not applied its mind despite the specific finding in the minutes of the Executive Council preceded by the facts recorded in the show cause notice.

Further the finding that the Screening and the Selection Committees of the University had already examined the case of the petitioner and adjudged him suitable for appointment is not estoppel to correct a wrong.

In view of the above, I am of the considered opinion that this is a fit case for filing Letters Patent Appeal.

Opined accordingly.

Central University of Haryana (CUH)

Proposal for Establishing the *Praiavaran Sanrakshan Peeth*

Duration: 5 Years

Proposed Title: *Chair Professor for Praiyavaran Sanrakshan* at Central University of Haryana, Mahendergarh

1. Background and Rationale

The Central University of Haryana (CUH), established under the *Central Universities Act, 2009*, is committed to excellence in teaching, research, and innovation across diverse disciplines. The University emphasizes interdisciplinary learning and research to address contemporary environmental and societal challenges at regional and national levels.

CUH is located in Mahendergarh district, a semi-arid, ecologically sensitive region with limited rainfall, declining groundwater, and increasing climatic variability. Regional challenges include water scarcity, soil degradation, biodiversity loss, land-use change, and ecosystem fragility, which impact agriculture, rural livelihoods, and industrial operations. The proximity to the National Capital Region (NCR) exposes the region to air pollution, transboundary environmental pressures, and industrial emissions. At the national level, India faces growing environmental pressures such as air and water pollution, deforestation, unsustainable resource use, climate vulnerability, and energy transition challenges. Addressing these requires research-driven solutions, technological innovation, and policy engagement.

In response, CUH proposes the establishment of the *Praiavaran Sanrakshan Peeth* to advance high-quality research, build academic and professional capacity, and provide applied solutions in sustainable water management, climate resilience, ecosystem restoration, renewable energy, and industrial sustainability.

The initiative is closely aligned with key national and global frameworks, including:

- Vision Viksit Bharat 2047, aimed at building a sustainable, resilient, and self-reliant India.
- The United Nations Sustainable Development Goals (SDGs), particularly SDG 6 – Clean Water and Sanitation, SDG 7 – Affordable and Clean Energy, SDG 9 – Industry, Innovation

and Infrastructure (clean technologies), SDG 13 – Climate Action, SDG 2 – Zero Hunger (sustainable agriculture and soil health), SDG 3 – Good Health and Well-being (environmental health, pollution impacts) and SDG 15 (Life on Land).

- The National Education Policy (NEP) 2020, which emphasizes research-led education, innovation, and sustainability-focused capacity building.
- The National Action Plan on Climate Change (NAPCC), supporting mitigation and adaptation strategies;

2. Significance of the Chair

The proposed Chair Professorship in *Praiyaaran Sanrakshan* will strengthen CUH's academic leadership, applied research, and societal impact, addressing both regional and national environmental priorities while engaging with industry and policy stakeholders.

Key Objectives of the Proposed Chair Professorship:

1. **Academic and Technical Leadership:** Provide cutting-edge expertise in environmental sustainability, climate change adaptation, resilience planning, and ecological innovation, directly supporting industries in meeting ESG goals, regulatory compliance, and sustainable operations.
